SATURDAY MORNING, DEC. 2. THE BOARD OF TRADE MEETING.—We have no doubt that there will be a full attendance at Washington Hall this afternoon of our citizens for the organization of the Board of Trade. benefits of the organization.

The hour of meeting, it will be remembered, is 3 o'clock.

INAUGURATION OF AN I. O. O. F. GRAND LODGE.—In accordance with arrangement the delegates from the various lodges of Odd Fellows in our chased of the Governor eighty thousand acres of the West Virginia Agricultural State will meet at Odd Fellows' Hall, in this city, on Tuesday next, for the purpose of organizing a Grand Lodge of the Order for the State will meet at Odd Fellows' Hall, in this city, on Tuesday next, for the purpose of organizing a Grand Lodge what price Mr. Atkinson paid for his land. purpose of organizing a Grand Lodge of the Order for the State of West Va. ever been organized in our State. During the war the Lodges in West Virginia were without a parent. They is could not of course communicate with the Grand Lodge at Richmond, and, as we have said, were without a head. They have now concluded to set up a Grand Lodge of their own, and having procured the necessary authority, are going actively to work.

Mr. Ridgeley, the Grand Secretary of the Grand Lodge of the United States, will be present here on Tuesday, to take part in the ceremonies. He will be assisted by several other diguitaries of the Order.

Order.

A supper will be given on the evening of the ceremonies, at "Union Hall," at which an address will be delivered.

The ceremonies, which will doubtless be impressive and interesting, will be partly public. A LARGE TRANSACTION.—Yesterday

the "Virginia Petroleam Company," of the city police, who has for several consisting of Messrs. John Handlan, John H. Hobbs, Joseph B. Ford, Chas. John H. Hobbs, Joseph B. Ford, Chas. W. Brockunier and William C. Brock-unier, sold their valuable oil property, situated in Ritchie county, West Vir-ginia, on Oil Spring Run, Laurel Run, Allum Cave Bun, &c., to a Buffalo and Michigan party, for the sum of Four Hundred Thousand Dollars. The par-ties who been ties who have made the purchase are well known in the West as energetic, thorough going business men, of ample capital and influence, and they intend pushing the development of this property to its, fullest extent. In the preparation of the extent. aration of the necessary papers con-nected with the transfer of this proper-try, we understand that eight hundred dollars of U. S. revenue stamps were used. The oil business performs an im-portant part in lubricating the mechin-ery of government, if this is any exam-ple,

OIL IN HANCOCK COUNTY,-We learn that the oil excitement runs high in Hancock county. Several strikes have Hancock county. Several strikes have been made, and new companies are being formed and new wells going down almost daily. No doubt-exists in the minds of any about the presence of oil in that vicinity, as the numerous strikes have already satisfactorily demonstrated the fact. We expect to see Hancock, as well as Ohio and Brooke, before long great oil communities. All that is wanted is the application of a sufficient amount of energy backed by the requisite capital. We have both, and we want to see them put to the work.

RIVER NEWS .- There were six feet and three inches of water in the chan-nel yesterday and the river at a stand. The Revenue and Edinburgh arrived and departed again for Cincinnati. The New State arrived from St. Louis. The regular packets made their usual

A letter was received yesterday from Gineinnati, which stated that the work on the Phil. Sheridan was progressing finely.

Personal,-We are pleased to learn hat our old friend, Gen. Bob Fre going back on the B. & O. R. R. as a M'CLELLAN & KNOX going back on the B. & O. R. R. as a Conductor. He will resume on Monday next, taking charge of one of the accommodation trains between this point and Cumberland. The General is a capital fellow, and we think will run the "accommodation" in the most accommodating manner.

ROBBERY .- We see by the Richmond Whig of the 27th ult. that an attempt was made on Friday night of last week, by a negro servant mamed Henry Christian, to rob the residence of Dr. Hughes, formerly of this city, but now residing in Richmond. Some articles that the robber hid on a porch were re-covered.

TON.—His Excellency, Gov. Boreman, left yesterday evening for Washington left yesternay evening for washington City, on State business. He will be gone for about a week. During his stay in Washington it is thought that he will bring several important matters before the Government.

COUNTY TAXES PAID .- On yesterday Sheriff J. W. Hobbs, of Hancock county, this State, paid in to the State Trea.

sury \$5,800, the amount of taxes due the State from that county. Mr. Hobbs represents the financial affairs of Han-cock as in an eminently satisfactory condition. MEETING OF STOCKHOLDERS.—Those interested will not fail to remember the meeting of the stockholders of the

"West Virginia Mining and Manufac-turing Company," this afternoon, at 3 o'clock, at the office of Mesars. Berger & Hoffman. An election of directors is to take place, OUT AGAIN,-Mr. Henry Harbour, of

whose injury by being thrown from a buggy we made mention the other day, was out again yesterday. His injuries were fortunately very slight—consisting of a few bruises.

IN WINTER QUARTERS.-Yesterday the owners placed the row-boat "Kennet" in winter quarters at the

Atheneum.

The "Lady Groy" will be taken up to-day and stowed away in the same place. NEW MARKET HOURS IN CENTRE

WHEELING.—Hereafter the market in Centre Wheeling will be held on Monday and Thursday afternoons, instead of at morning.

THE WEATHER.-Yesterday was a cool but very pleasant day. Overcoats were in great demand, and the ladies who were out were warmly clad.

HOLE FILLED UP.—The hole dug on Adams street, near Main, for the pur-pose of repairing water pipes, has been filled up, we are happy to state.

"A. WARD" To-NIGHT .-- We know that our readers will all bear in mind Ward's entertainment at Washington Hall to-night. His fame as a lecturer is extensive, and his exhibition of paintings of scenes in Utah are said to be most elegant. Wherever, he has been people speak lightly of him, and we only regret that he cannot be with us more than one evening. Seats can be secured to-day at J. B. Mellor's music store.

LARUE IS COMING, -LaRue, the humorist, with his moral and attractive show, will commence a short season of two nights, at Washington Hall, on Mon-day evening next. To show the estimation in which he is held abroad, we quote the following from the Louisville Journal;

ville Journal:

EXHIBITION AT MASONIC TEMPLE,—
The first exhibition of La Rue's greatwar show took place last night. It is
a truly wonderful and novel exhibition. These who would enjoy an entertainment entirely original and novel,
should go and see this. La Rue, besides,
is a great humorist, and his "Olio of
Oddities" is full of humor.

La Rue's Great Show.—The Mer-cantile Library Hall was crowded last evening to its utmost capacity by a fash-ionable audience, to witness La Rue's Great War Show and amusing comic impersonations. We never have seen an audience better pleased.

There are six valuable lots of ground, and the building thereon, included in the property. The sale comes off at 10 o'clock at the court house,

CIRCUIT COUTT .- Circuit Court for this ounty will meet here on Tuesday next. On account of the severe illness of several of our attornies and officials, we understand that it is probable the court will be adjourned without the transaction of much business.

POLICE COURT.-There was one casisposed of in the police court yesterday. John Cable, for disorderly con-duct, was fined \$20 and costs. Failing to pay, he was "sent up."
